September 1, 2016

Dear Parents and/or Guardians of Seniors:

Your child's senior year is here! The faculty and staff of Kenwood High School are looking forward to seeing each of our seniors at graduation this coming spring at SECU Arena. Senior year is a fun and memorable time for our students as they participate in events such as homecoming, senior prom, and other activities. We certainly hope all of our seniors will attend events such as these. The KHS staff would like to work with parents/guardians to ensure students remain on track for graduation. Thus, the following criteria have been established to help maintain emphasis on student's success and helping them persist towards graduation.

To be eligible for senior events, including the prom, students must meet certain criteria. **Failure to meet the criteria may result in the student being unable to participate in the prom and other senior events.** The criteria includes:

- Received passing grades in all courses required for graduation.
- Completed 75 or more service learning hours by spring break (April 7, 2017).
- Maintained a 94% attendance rate during the 2016-2017 school year.
- Have met all HSA and PAARC testing requirements.
- Received no suspensions during the 2016-2017 school year.
- Followed all BCPS and KHS rules and procedures as outlined in the Student Handbook and the KHS Family Handbook.
- Submitted and paid all student obligations prior to purchasing a prom ticket and receiving graduation tickets.

Again, failure to meet the criteria may result in the student being unable to participate in the prom and other senior events.

As always, thank you for your continued support of our students at Kenwood High School! We appreciate your assistance in helping our students meet graduation requirements. I have the utmost confidence that your child will continue to find success, and I look forward to seeing them at SECU Arena on the campus of Towson University for graduation.

Sincerely,

Mr. Brian Powell
Principal
